Prior Lake will be represented at the state girls tennis tournament next week.

Meredith Lawrence is heading to the Minnesota State High School AA Girls Tennis Tournament. Lawrence, a junior from Visitation in Mendota Heights and a resident of Credit River Township, will team up with Morgan Morrison of Mendota Heights.

Lawrence and Morrison finished as doubles champions of Section 3AA after defeating doubles teams from South St. Paul, Apple Valley, Eastview and Eagan. This will be Lawrence's fourth trip to the state tournament (three times in doubles and once in singles). During the regular season, Lawrence played No. 1 singles for the Visitation team.
